Liberals Proud Of Cause - Smith, 'St. Laurent Best'

Newmarket—Speaking at the garden party Saturday at Mulock Farms, Liberal candidate J. E. Smith said, "Prime Minister St. Laurent is a worthy successor to Sir Wilfred Laurier and Rt. Hon. W. L. Mackenzie King, two great leaders of the Liberal party." An estimated gathering of close to 4,000 heard Mr. Smith and W. P. Mulock, former postmaster general, who spoke on behalf of the candidate. The party was sponsored by the York North Liberal Women's Association, Mrs. N. L. Mathews, president.

"We are satisfied that our choice of Mr. St. Laurent as leader is the best possible choice. He has endeared himself to Canada," Mr. Smith said.

"Only votes will count on June 27," he said. "We should vote Liberal because we are satisfied we have a cause worth fighting for. The Liberal government led the people through war, through the period of reconversion and into the happy state the Dominion now occupies among the nations of the world. Canadians today enjoy an era of comparative prosperity."

"I will do my best and my door is always open to the people," he said. He thanked the Women's Association for sponsoring the event on his behalf and also Col. Mulock for loaning his estate. "This historic site found by the late Sir William Mulock, grandfather of the colonel, has close association with the Liberal party," he said. "The late Sir William and the late Sir Wilfrid Laurier discussed problems on this veranda in those days and Hon. W. L. Mackenzie King often visited the late Sir William."

Jack Smith has been riding representative for four years.

Other speakers were Mrs. Wilfred Skitch, president of the Armour Heights Women's Liberal Association, and Mrs. Charles Whitman, chairman of the Albion Heights Liberal group. Said Mrs. Whitman, "How must those Conservatives feel who, like Drew, reportedly waiting for Mr. Atkinson of the Star to die, have waited for a generation for Mackenzie King to retire, now find themselves facing a man of the calibre and quality of Mr. St. Laurent. To any woman interested in her home and community affairs, the recent talk of the Hon. Paul Martin at Newmarket must be most satisfying," she said.

Mrs. Lorne Lee, Aurora, past president of Ontario Women's Liberal Association, thanked those who assisted in the work. The Newmarket Citizens' Band and strolling troubadours gave musical entertainment.

PROTEST DROP IN PRICE PAID FOR LIVESTOCK

Whitchurch township farmers last night sent a telegram of protest to the minister of agriculture for Ontario, Hon. T. L. Kennedy, against the fluctuations in livestock prices at a time when the farmers are hard pressed to buy feed.

The meeting, which was held at Pine Orchard school, also urged the York County Federation of Agriculture to hold township meetings protesting the current prices paid farmers for their livestock. A committee was appointed to engage Whitchurch township hall for a meeting to organize a township branch of the federation.

The meeting was held under the sponsorship of the Pine Orchard Farm Forum and was addressed by Charles Cooper, a director of the York County Federation of Agriculture.

Newmarket—The Straw Hat Players, entering their second season of summer theatre in Ontario, open at the Newmarket town hall Thursday, June 30, with "The Barretts of Wimpole Street". Proceeds go to the artificial ice fund.

The company, organized a year ago by Murray and Donald Davis, sons of F. J. Davis, Jr., had a successful season with a four-play repertoire of Blithe Spirit, Papa is All, Dear Ruth and The Drunkard, touring the Muskoka and Lake Simcoe resorts. Many Newmarket people will recall The Drunkard and its success on its coast to coast tour of Canada last winter with most of its original cast.

The cast of the Straw Hat Players is entirely Canadian. Beth Gillanders, who comes from Vancouver, plays the leading roll of Elizabeth Barrett in this play. Kate Reid, another Straw Hat Player, won the Best Actress cup in this year's regional drama festival. Pictured above from left to right, Donald Davis, Charmion King and Araby Lockhart.

Veterans Remember Dead At 2nd Annual Pilgrimage

(See Pages 2, 3 for pictures)

Newmarket — The names of Newmarket men who gave their lives in two world wars echoed over the hill top at the cemetery on Sunday afternoon as the honor roll was called during the largest and most spectacular parade and cenotaph service seen in Newmarket. The pilgrimage which was held by the Newmarket Veterans' Association was attended by the Toronto Scottish, 48th Highlanders and units of veterans' associations from as far away as Niagara Falls and Montreal.

Over a quarter-mile long parade with the pipe bands of the 48th Highlanders and Toronto Scottish, the Newmarket Citizens' band and the Newmarket trumpet band marched to the cemetery, past the saluting base at the post office where Maj. Gen. Chris. Volkes, C.B., O.B.E., D.S.O., G.O.C., Central Command, took the salute.

At the cenotaph, the memorial service was conducted by Rev. Henry Cotton. Mayor Jos. Vale welcomed the units to the town and H. M. Gladman, of the Newmarket cemetery board welcomed to the cemetery grounds, all who paid tribute to the dead.

Col. Sidney Lambert, former padre of Christie St. hospital, told the gathering to look to the future of Canada, that we should be proud of this country and that we should continue to keep British ideals. Col. Lambert was introduced by Rev. Cotton. Maj. Gen. Vokes, who was introduced by Aubrey Davis, said that we must remember the ideals for which men died and see that they did not die in vain.

Restricted Wood Cutting By-Law Endorsed By York

A by-law to control tree cutting in woodlots throughout the county is to be prepared for York county council. After considerable debate, council instructed its legislation committee to prepare the by-law that would prohibit cutting trees under a certain size.

Thirteen other counties in the province have already similar by-laws and recently, Newmarket council authorized its two county representatives to indicate that it favored such legislation.

Eric W. Baker, chairman of the county reforestation committee said that much of the drought is caused by lack of proper forest cover which has led to the lowering of the underground water level. Kenneth Ross of Mount Albert, reeve of East Gwillimbury, claimed the proposed by-law would not be acceptable to his township. He said that land cleared completely of trees produced a good second crop if fenced to prevent cattle grazing which kills young trees.

Companies clearing timber and wood from land should be required to plant 30 or 40 trees for each one cut, suggested Deputy Reeve Norman McMurchy, King township.

'Unethical' Editor, Etc. Targets For C.C.F.

Newmarket — An estimated crowd of 75 people in the town hall Saturday night heard C.C.F. candidate for York North, Arch Woods, Newmarket, and the national secretary for the C.C.F. party, David Lewis, attack and condemn the Conservative party, the Liberal party, the Communists, the press, the present election campaign, George Drew, Louis St. Laurent, Winston Churchill, Lloyd George, Newmarket housing, Canadian housing and other federal candidates.

Promises were made for a national health insurance plan, the return of price controls, the excess profits tax and a national housing scheme should the party be elected. Describing the limited campaign facilities and funds of the C.C.F. in this riding, Mr. Woods stated that they had secured an old barn at great difficulty for party headquarters. The C.C.F. has only $1,000 to spend for the campaign in this riding, he said, and charged that the Liberals and Conservatives were spending up to $75,000. Of the Newmarket housing projects, Mr. Woods said that the Aurora contractor who handled the army camp site made nearly 100 per-

C.C.F. Publicity Director Thanks Ed.'s 'Courtesy'

This morning the editor of the Era and Express received a letter from the publicity director of the C.C.F. for York North, M. Riding Association, Arch Woods, our candidate, and myself, I wish to thank you for the courtesy extended to us throughout the current federal election campaign."

The two other paragraphs of the letter deal with the sending of tearsheets and invoicing of C.C.F. advertisements which have appeared in the Era and Express during the campaign.

Artificial Ice Plans Progressing

Young Painter Gives $27 To Newmarket Ice Fund

Newmarket — A cheque for $27 for the artificial ice fund has been received by the Era and Express from Myron Angus, young artist who despite the handicap of paralysis of arms and legs, has become a capable painter. Mr. Angus painted in Brice's Marketeria window last Friday, Saturday afternoon and the evening, moved to the park where he displayed his talent at the Newmarket Veterans' Association carnival.

The cheque represents a share in the proceeds of the sale of Mr. Angus' paintings.

HELP FIRE VICTIM

Newmarket — The Era and Express received two donations for Craig Olan, Miami Beach, who lost his business and residence by fire recently. "Penny" has sent $2 and an anonymous donor $5.

While the hot weather of the past weeks has been giving us a wish for ice, Fred Thompson and his ways and means committee have been making progress with their plans for artificial ice for the Newmarket Memorial arena. There is every reason to believe our boys and girls, our skaters and last but not least our hockey players will be doing their turns on artificial ice this coming winter.

Due consideration has been given to various tenders at hand for the installation and the committee has had a visit from several representatives of the ice making machinery people and have tentatively settled on a Toronto firm which was one of the first to submit a tender.

There are still a number of details to be ironed out before the actual order can be placed but indications are that it should be ready for presentation in the near future. As soon as the order can be placed work will start in the rink as considerable ground work has to be completed before the actual laying of the pipes.

Wife Awaits Amnesia Victim Missing Since May 30

Newmarket—A victim of amnesia, Gordon Craig, 11 Davis Dr. W., disappeared for the second time on May 30, leaving his wife and three-year-old son, Douglas, at home in Newmarket. He took the noon bus to Toronto on that date and has not been found since. Last time, in June, 1947, he disappeared and was found working in Winnipeg, unaware of his identity.

When last seen, he was wearing a brown pin-stripe suit, a fawn trench coat and a tie with a large horse's head. Age 23, he would be judged as 28. He has fair, receding hair, is about five feet eight inches tall, and weighs 155 pounds, wears an R.C.A.F. reserve button.

Shortly after his discharge from the air force, he was struck by lightning and doctors believe that it is a possible cause of the amnesia attacks he has had since the war. He has been a draughtsman by trade, working at McGuire Auto Products Co.

Meanwhile Mr. Craig's wife and child are under the care of the Canadian Legion local branch and all necessities are provided for. The Legion plans to provide Craig with expert medical care in an effort to overcome his affliction once and for all.

Teachers Protest Salary Decision

Newmarket—The grade teachers of the public schools held a meeting at the King George school on Tuesday night to discuss the answer of the school board as it appeared in the Era and Express last week to their request for greater annual increases in salaries. The teachers said they did not receive a letter from the board answering their request.

The teachers had written to the school board that they would like annual increases, which are made until their maximum possible salary is reached, to be $200 instead of $100. At the last meeting, the board indicated it had raised the maximum and minimum salaries but that the budget which has been set, would not stand additional increases.

The following is the text of a statement by the grade teachers as given to the Era and Express:

"There is no bigger or more important business enterprise than teaching youngsters. Your children respect their teachers. We teachers want to respect ourselves. It isn't possible to be self-respecting if working conditions are unbalanced, uncertain and not wholly to one's liking. So to make clear our point to the parents and ratepayers we wish to state a few facts.

"The general impression seems to be that the school board, by increasing the minimum to $1,800 and the maximum to $2,500 in line with the Ontario Teachers' Federation schedule, and which we appreciate, has increased operating costs for the year. This as we see it has not been the case. There are 18 teachers on the regular staff. For the next year, five of these, experienced teachers too, will then be receiving the minimum; another who has been teaching in Newmarket for many years, with considerable experience, will get $1,850 and the remaining experienced grade teachers will range from $1,900 to $2,000. Not one of these will benefit from the increased maximum within the next three years. We feel it is in the best interest of all concerned to consider these figures.

"After all we do not enjoy working hard merely to create the false impression that we are in a higher money bracket. We actually are. Special extra teaching certificates such as music, arts and crafts, primary methods, auxiliary, etc., cost the teacher time and money. These we believe are worth extra money as are specialists in other lines of business. And lastly we want a definite salary schedule of increases.

"The public school teachers of Newmarket have, in the past, been very generous with their time toward extra-curricular activities. This has meant considerable monetary return for the citizens of Newmarket. Should it cease, it would be missed."

Charge 3 Obstructing Chief J. E. Jardine

Through the aid of the Scarboro police three men were apprehended early this week and charged with obstructing the police and illegal possession of liquor, following an attack made upon Chief Joseph E. Jardine of East Gwillimbury last Saturday night. One man was charged with failing to produce required permits. The three men, who come from Toronto, were remanded until July 8 in Newmarket police court.

Chief Jardine had been sitting in front of his Queensville home with Mrs. Jardine about 9 p.m. Saturday evening when he noticed a panel truck drive past in an erratic fashion. He gave chase and the charges arose following an attempt by Chief Jardine to stop the truck and investigate it.

Newmarket — At the North York Memorial camp, the Junior girls' camp will be from July 11 to July 20 this year and the Intermediate girls' camp from July 21 to July 30. A registration fee of $2 can be sent to Miss Marian Warne, Unionville. In each camp, the first 75 registrations will be accepted from residents of North York county up to July 1. After that, if the camp is not filled, outsiders will be accepted.

Registration applications may be obtained at the town office, Newmarket, from Miss Doris Proctor or Miss Helen Epworth.

Charity Begins Cast Makes Return Visit

"Charity Begins," a three-act comedy presented in Newmarket town hall in April, is returning to North Simcoe and staging at Mount Zion United church in the Creemore district June 28. The final engagement of "Charity Begins" for this season will be in Goodwood on June 29. After that the Newmarket Players will take a rest for the summer. However, there are some out-of-town sponsoring groups who would like this show in the early fall, so it's quite possible the group will continue their touring then.

Members of the cast for "Charity Begins" include Margaret Smith, Irma McLean, John Kudelka, Grace Sinclair, Ethel Winters, Bob Wallace, Evelyn Woods, Don Cummings, Kay Kudelka and Dorothy Bowman. The play is directed by Dorothy Bowman, who is ably assisted by Kitty Cummings.

To Install Sewers Along Srigley St.

Newmarket — Sewers and a pumping station which will cost in the neighborhood of $24,000 for the Connaught Gardens subdivision were sanctioned by town council last Monday. A tender has been accepted from a construction company to put in sewers on Srigley St., Vale Ave., Wesley St., and Pleasantview Ave. in that area.

The council's action comes in answer to a petition presented a year ago by property owners in the Connaught Gardens. The engineer estimated that the property owners' share would be $13,000 and the town's, $11,000. The town will pay the cost of the equipment which will be necessary to pump water into the Charlotte St. system.

According to engineer, Denne Bosworth, the town will be paying a larger share on future local improvement sewage installations because the town has reached the extent of level sewage flow. "We are running into more hills and hollows in new subdivisions now, for instance, in the V.L.A. subdivision, and more pumping equipment will be required," he said. It was also pointed out during the council meeting that each pumping station has to be inspected twice every day to check the automatic machinery.

Aurora Appoints Recreation Director

Aurora—It was announced early this week that J. Aubrey Holmes has been engaged as director of recreation in Aurora for the summer vacation period. Mr. Holmes, a member of the faculty of St. Andrew's College, is well known for his work in sports and recreation across Canada. Mr. Holmes, who begins his new duties immediately, requires part-time assistance by volunteers. All those interested are requested to contact him at 306r.

M.O.H. Proposes Licenses For Restaurant Owners

Newmarket — A draft by-law to license restaurants, proposed by M.O.H. Dr. L. W. Dales at a board of health meeting on Tuesday morning of last week would require restaurants in Newmarket to pass inspection every year.

Suggesting an annual license fee of a dollar, Dr. Dales said, "restaurant owners would have to go to the board of health every year and the M.O.H. and sanitary inspector would see that everything was in order in the restaurants before a license would be granted."

Dr. Robert McClure Will Address Friends

Newmarket — Dr. Robert B. McClure, former medical missionary in China for Bloor St. United church, Toronto, and for three years in charge of the Friends' Ambulance Unit in China, will be the speaker at Friends' Yearly Meeting at Pickering College, Friday evening, June 24, at 8.30 p.m. His subject is "Witness Through Technology". The people of Newmarket and district are cordially invited to hear Dr. McClure as well as other outstanding speakers during the Yearly Meeting sessions from June 23 to 27.

RECEIVES DEGREE

Newmarket—Wilfred D. Stone received a Master of Science degree in geography at the recent spring convocation at Western University, London. Mrs. Stone is the former Marion Proctor, Newmarket. Mr. and Mrs. Stone plan to move to Fort William in August where Mr. Stone has accepted a position on the collegiate staff.

Plan To Spend $20,000 On Walks

Newmarket — Sidewalk improvements which have been proposed for a long time by town council were given a boost during a hot session on a hot night last week when a motion by councillors Bowser and Paynter was passed to spend $20,000 for sidewalks on streets to be designated by the road and bridge committee. The sidewalks will be paid for by the town out of general funds and not on a local improvement basis.

Nearly three months ago, a notice of motion introduced by Reeve Arthur D. Evans had specified construction in 1949 of 10,000 feet of sidewalk but the council had not taken up the propositon again.

Most pertinent question which was almost a stumbling block to getting the sidewalk project under way was whether some of the work would be put under local improvement where the property owners pay a share of the cost. Town enginer Denne Bosworth said that sidewalks had never been put in under local improvement in the past. Mr. Evans declared that the town should do all the sidewalks under one project. He said that at least 15,000 feet is needed in town.

Said councillor Frank Bowser, "Everybody wants new sidewalks but we always hit a snag somehow and it doesn't go through." His comment had been prompted by the considerable amount of mix-up in the wording of resolutions and also on the procedure in getting authority from the municipal board to spend the money.

Mr. Bosworth stated that sidewalks can be replaced under local improvement if they had served their "lifetime" according to his interpretation of the local improvement act.

"People have ben taxed for years without new sidewalks. I am not in favor of putting special assessments on people for sidewalks," Mr. Bowser said.

"Yet some people will complain for not having their sidewalks improved when others have new ones if we don't put it under local improvement," Mr. Spillette declared. "But in any event, we had better hurry up and get the sidewalks built some way," he added. Council was unanimously in favor of the expenditure in the final decision.

Bulldozer At Work On Fairey Lake Again

Newmarket—Operation Fairey Lake was renewed again this week for the first time since last summer. A large bulldozer and a scraper have been moving the soft earth from the lake bottom and by today they have slightly lowered the depth by scraping toward the south-east end of the pond.

According to Reeve Evans at a recent council meeting, the plan is to make the pond six feet deep from the top of the dam for a distance of at least 300 feet south. Up to $5,000 will be spent with the Office Specialty Mfg. Co. paying half. The earth taken from the lake bed will be pushed to the east side so that it can be used as a roadway to the south of the pond.

URGE BETTER CARE

Newmarket—Better practices of home-owners to keep garbage properly covered is what the board of health wants to see. At a meeting of the board last week, it decided to start a campaign to persuade people to keep garbage in properly covered containers.

Dr. L. W. Dales, M.O.H., said, "After June, prosecutions will be in order if garbage is not properly covered." Last week, a notice from the M.O.H. appeared requesting citizens to obey the town by-law by wrapping wet garbage and covering all except dry garbage. "No further notice will be given, and those found careless or indifferent after June 30 will be prosecuted," the notice stated.

Aurora Child Loses Fight To Save Life

Aurora — Ten-month-old Terrance McLean, son of Mr. and Mrs. David McLean, 24 Catharine St., died in the Hospital for Sick Children, Toronto, shortly after a provincial police cruiser rushed him to the hospital on Saturday night. The child had been suffering from a heart disease and hospital authorities said that every effort was made to save the child.

The baby was rushed to Richmond Hill in his father's car under police escort and there transferred to the provincial cruiser of Constable Ron Seyffert.

Provincial police also escorted an ambulance whose siren broke down, bringing a Barrie woman to Toronto.

Doug Nisbet Scores

Aurora — Last week Douglas Nisbet of the Highlands Golf and Country club accomplished the unusual feat of a hole-in-one on the ninth hole of the club course, a distance of 120 yards. This is the first time this has been done this year. The odds against such a possible stroke are 20,000 to one. Last year it was done by E. Fielding, Aurora. Mr. Nisbet was playing in company with Maxine Nisbet and Carrie Boyd at the time.

Cottages Spring Up Like Mushrooms

Craigmawr Beach—The month of June has been a busy one around here with new cottages springing up almost like mushrooms. Cliff Osborne has a fine new hedge as has Lawrence Purdy.

The McConveys will be back with us this summer in Red Gable's where they were last season.

Dave Stronnoch will keep things lively now that his dad, Harry, has settled the family in the New Moon cottage.

Mushroom growing has nothing on Clayton Purdy's method of surprising us with a new cottage almost every weekend.

Bamfords in their "Happy Hours" certainly deserve happiness and relaxation after their busy spring "fixin' and fussin'."

Oh yes, and if you think Tubby Dixon is going to be outdone, you're mistaken. A new fireplace towers up now under the tall elms and painters, carpenters and what have you have completely overhauled the interior of their snappy cottage.

Parks and roads, especially park No. 1, are showing great improvement.

July 1 a repeat of the fun we had last year will take place. Sports for everyone in park No. 1 in the afternoon and sit down games in evening for oldsters. Come again? Sure I will.

Reeve Arthur D. Evans, padre of the Newmarket Veterans' Association, reads the roll of the men of Newmarket who laid down their lives during the first and second world wars. Beside him stands Bert Ward, Canadian Corps Councillor and member of the Newmarket Veterans' Association.

Maj.-General Chris. Vokes Takes Salute At Veterans' Annual Pilgrimage

Newmarket Trumpet Band

The Newmarket Trumpet Band wore their new uniforms for the first time on Sunday. Shown here as they march past the saluting base, led by Howard Brown, the band excited much favorable comment.

Toronto Scottish Regiment

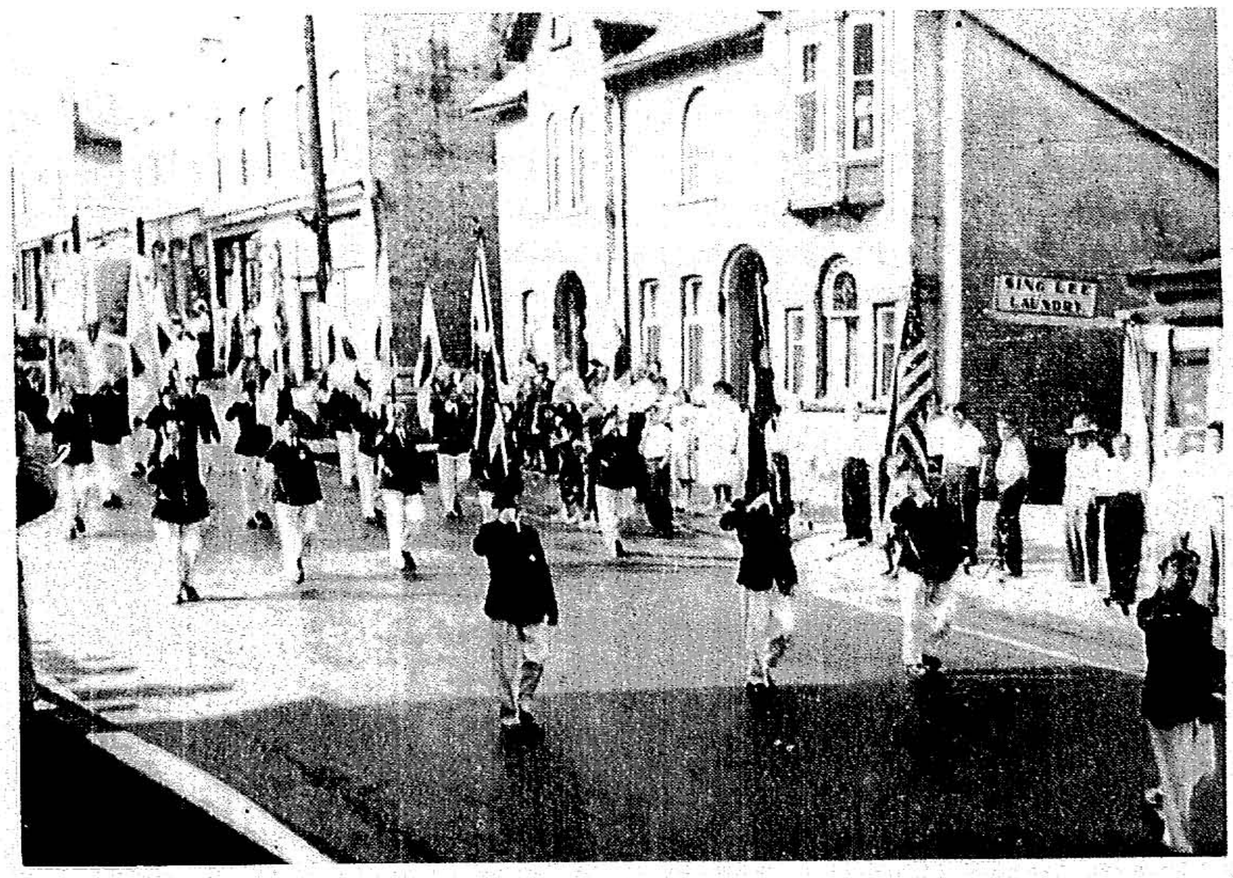

The Toronto Scottish were well represented at the service on Sunday, members of that unit mounting guard at the memorial and firing the volley at the gravesides. Here the unit marches past Maj. Gen. Chris Vokes who took the salute in front of the post office.

R.C.A.F. W.D. Party

Former members of the Women's Division of the R.C.A.F. march past the saluting base in their new uniforms, of R.C.A.F. tunics and blue skirts. C.W.A.C. veterans also marched.

Canadian Corps Color Party

The Canadian Corps color party marches by the saluting base under the command of regimental Sergeant Major Teddy Baker. In blue jackets and white flannels, the color party was an impressive sight.

48th Highlanders' Pipe Band

The 48th Highlanders pipe and drum band swings past the saluting base. The pipes have been a popular feature of the Newmarket Veterans' Association Pilgrimages and this is the second appearance of the band in Newmarket in successive years.

Newmarket Citizens' Band

The Newmarket Citizens' Band, led by their conductor, Bill Greig, was duty band at the service at the memorial in the Memorial Veterans' Plot in Newmarket cemetery. The band is a strong contender in the forthcoming Waterloo Music festival.

GARDEN TEAS

There simply isn't anything else I can write about at this lovely season of the year but flowers and gardens. Garden teas have been blessed with "dry" weather at any rate! I started to write "fine" weather, but then I thought now maybe fine isn't exactly the word because the heat and at times the humidity have been well nigh unbearable.

The setting of a beautiful garden does wonders for an afternoon tea and with the guests all in fluffy, summery gowns and becoming large, shady hats, it all makes a beautiful picture! Then, of course, the tea table laid with fancy cloth and sparkling with silver and crystal and dainty cups and saucers, to say nothing of the charming hostesses and the girls serving the delectable food! Yes, we must admit that garden teas are indeed the acme of entertainment, for the feminine portion of our citizens at any rate!

The first garden tea was held at the home of Mr. Aubrey Davis, Millard Ave., and if anyone can recall one of my first Golden Glow articles, they will remember I described that most beautiful garden in connection with a rally of the Girl Guides, when they held an out-of-doors church service on the spacious lawn below the rockery at the west side of the house. We were at that time made free of the grounds and were welcome to wander where we would; and many were the words of appreciation from the many citizens who gathered there that day. I myself was so delighted that I made it the subject of a Golden Glow column—and the late Mrs. Davis came to my home to personally thank me for it. I can't say how much I appreciated Mrs. Davis' words to me that day, for I'd just come through a serious illness, and that was one of my first outings afterwards. I shall never forget that she urged me to "carry on"! Many a pleasant hour I spent with Mrs. Davis in after years, as we used to ramble through her garden and the adjoining garden of Mrs. Pope. Two such wonderful gardens and two such generous chatelaines of two lovely gardens.

Now just let me be your guide and we'll start at the gate, which was flanked on both sides with bridal wreath, late flowering lilacs, syringa and those two beautiful hawthorns, fairly smothered with deep pink blossoms. The perennial border which curves along the edge of the little grove on Millard Ave. to the house was full of bloom, among them some darling little baby iris of a deep yellow shade. There is every kind of perennial, some of which will flower later, like the delphiniums. At the south west corner of the house on the front lawn was the welcoming committee and you were told to wander at will anywhere on the estate.

I'll first take you down the steps at the south end of the rockery which curves round to the north end of the house, to another flight of steps leading up to where we had tea. But we are not ready for tea yet—I want to take you round the grounds first, and so we turn south, through a little summer house without sides, and on south into a delightful little grove fronting on Millard Ave. with lots of bird houses and where the birds were singing joyously.

Then we will skirt the lawn, below the rockery and go north to the sun dial in the rose garden standing in the intersection with most beautiful evergreens all around and through an opening to more flower beds where the gardener had just removed the tulips and re-planted with annuals. I just couldn't resist pointing out the tombstone "erected" by Bruce, the son of the house, and his chum, Edgar Pope when they were small boys over the body of their pet dog!

We went through the garden gate into the vegetable garden where there were still more flower beds and seedlings to be set out, in a cold frame; turned north along the fence by the orchard where the two Shetland ponies, the delight of all the younger generation a few years ago, have a safe haven and a home. Then we find ourselves, as we pass through a rustic gate, in the "new plantation"—beautiful evergreens growing wonderfully with here and there a clump of gorgeous iris. There was a long bed of wonderful iris of all colors across the top of the vegetable garden, some we all exclaimed over, a lovely pale mauve color.

Well then we went on through the plantation of new trees, growing up so sturdy and strong, to the grave the late Mrs. Aubrey Davis bought so long ago. There are paths all through and cement benches for a rest. Wild flowers grew there and great tall trees, elms and maples, etc., but

Hermit Stands Firm On Sand Hill Rights

An extreme example of what can happen to certain types of soil when forest cover has been stripped are the mountainous sand hills on the 50-acre "goat farm" owned by Bill Linton, known as the "hermit of Musselman's Lake."

Last Friday afternoon during a York County council tour of Vivian Forest by truck convoy, some members of the expedition called on Mr. Linton. His home is a shack so small that his bunk takes nearly half the room.

Members of council tried in vain to bargain with the old man for the purchase of his 50 acres of land which they would like to see reforested. For years council has tried to buy the land. It has been said that Bill claims the county does not pay taxes "so why should they have the land?"

The hermit is well known in the district for his "anti-social" nature. He keeps a herd of more than two dozen goats on his farm. He lives in the shack the year round which was built on poles over part of the foundation of his house which was destroyed by fire some time ago. It is heated by a brooder-house stove.

The county wants to acquire the property for reforestation because the blow-sand is spreading but Bill Linton still stands his ground for the time being. He seems to take exception to the Queen's York Rangers who held army manoeuvres on his property one Sunday last month.

Junior Farmers Hold Picnic, Dance

York County Junior Farmers in record numbers turned out for the annual picnic and dance held June 10 at Musselman's Lake. Warm, sunny weather provided an ideal day for picnicing.

A sports program under convenership of Ray Ingleton, Archie Cameron and Bob Petch kept the crowd happy throughout the afternoon. An excellent lunch, under the direction of the presidents of the girls' locals was enjoyed on a shady bank of the lake.

In the evening more than 600 Junior Farmers availed themselves of the opportunity to dance to Glenn Smith and his Merrymakers. Credit goes to the dance committee, Norman Tyndall, Bruce Hoiles and Evelyn Hare for the excellent manner in which the dance was conducted.

When the smoke of the day's battle had cleared away the following results were obtained:

Softball: Victoria Square 13, Sharon 8; Vellore 16, Vandorf 4; Schomberg 11, Unionville 0; Victoria Square 9, Vellore 4; Victoria Square 16, Schomberg 9. Victoria Square won the York County Junior Farmers' Softball Trophy. It was presented by Archie McKenzie, former assistant representative.

"Talk about real-life dramas—you should try *my* job!"

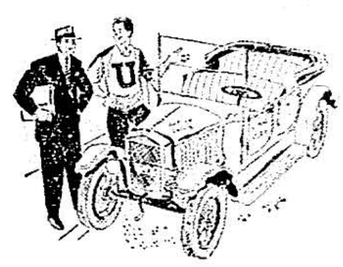

Bill: "I don't see how you keep so cheerful, Dick. I should think a life insurance agent's job would be humdrum."

Dick: "You're wrong there! You'd be surprised how much drama there is in my job — and what a kick I get out of it. Yesterday, for instance . . .

1. "At the office I found a claim cheque ready for delivery to a widow who needed that money. Don't you suppose her gratitude made me feel I'd done something important?"

2. "Then, on the way back, I stopped off to see Tom Black — he and a partner have just opened a new garage. Now, if one of the partners should die prematurely, the other will be able to carry on that business."

3. "From there to see George Williams who's retiring soon. Our company will start paying him to relax and enjoy himself. You should have seen him smiling, just like a happy kid!"

4. "Coming out, I met Jim Trimble who's going to college — thanks to the policy I sold his Dad. Believe me, I shared *his* excitement."

5. "Next, I helped a couple bring their life insurance programme up to date. They've just had an addition to their family. They were happy before, but now they've got peace of mind, too!

"That's the way it goes.

"And that's why I think a life insurance agent has the best job in the world!"

Foote-Notes

BY WILLIAM FOOTE

AURORA EDITOR

Last Saturday night a police officer was beaten up a short distance from Queensville. The officer, Chief Constable Joseph E. Jardine, East Gwillimbury, had attempted to question three men in a truck he had stopped and from which he confiscated some opened beer.

Respect for the law went by the boards. The officer was set upon by the three men who were joined by a crowd of 20 noisy zoot-suit hoodlums. He suffered a severe mauling.

Motorists stood by in idle curiosity, ignoring the pleas of the officer to come to his assistance. Those who did attempt to help him were driven away with threats of retaliation by gangs from Toronto.

When is this barbarian behavior to be brought to a halt? When someone is killed or seriously injured? When young men deliberately flout the law and then have the cheek and audacity to attack the officer charged with maintaining it, it is most certainly time to call a halt.

The courts must deal in as severe a manner as possible with these irresponsible hoodlums. They know and understand nothing but force. To them, kindness, decency and common human courtesies are unknown, or possibly puzzling, quantities. They must learn their lesson. Only the most severe of possible penalties can serve as a deterrent for more than a week or two. It is the only thing that can possibly make any impression upon these people. It is the only thing they understand.

Police strength in the rural areas must be augmented. This officer could not possibly be expected to handle alone a crowd of this type. He dare not use his gun. His billy would be completely ineffective and would only serve to infuriate the mob and place his life in jeopardy. He has no radio in his car with which to call upon fellow officers for assistance. No other officer is required to come to his assistance except as an act of courtesy, for he is the only constable employed by his township.

These conditions are not isolated. They are common in most rural areas. A lone officer may be all that is required to handle a township during the winter months. But during the summer the situation changes drastically. The population of the township soars as tourists, holiday-seekers and others jam the countryside. Traffic is congested, services are taxed to the limit and one lone officer is expected to be in ten places at once and handle traffic, dances, mobs and crime in general.

This is a fantastic situation. Especially so, when we consider the large number of psychopathic personalities who descend among the holidaying crowd each summer weekend intent only upon wrecking, smashing and injuring. A Toronto daily paper recently recommended in an editorial that the attorney-general consider this problem. It should be possible for Mr. Porter, in close co-operation with township authorities, to provide a satisfactory solution. The protection now afforded the rural resident, the holiday-seeker and the individual police officer working alone is inadequate. It must be increased, and immediately, if future tragedy is to be averted.

GEORGE DREW

Alderman, Mayor, Provincial Party Leader, Three Times PREMIER OF ONTARIO . . .

Then—

LEADER OF THE OPPOSITION in The House of Commons, Ottawa.

No other national leader can match this record of public service on ALL LEVELS OF GOVERNMENTAL ACTIVITY.

George Drew, more than any other national leader knows that government—to remain DEMOCRATIC,—must remain in the hands of the people. As an alderman he concerned himself with the problems of his ward. As mayor, he worked for a better community. As provincial legislator, he worked in the interests of the people of his constituency. As Premier of Ontario he gave his native province the finest administration in its history . . . George Drew has succeeded as an administrator because he believes in TEAMWORK and CO-OPERATION on all levels of government.

As PREMIER OF ONTARIO he held more cabinet meetings and with greater frequency than any government in Ontario's history. As leader of the official opposition at Ottawa, he brought new life and energy into the House of Commons, and a renewed respect for the principle of Parliamentary Government.

PROGRESSIVE CONSERVATIVE CANDIDATES give wholehearted support to George Drew because they will be Members of Parliament in FACT as well as in NAME. No longer will members be forced to yield all power to bureaucratic cabinet ministers and centralizers and fail to give full representation TO THEIR CONSTITUENCIES . . . Compare the records of George Drew and YOUR PROGRESSIVE CONSERVATIVE candidate with those of other party leaders and candidates.

The Editorials:

What Other Choice Is There But Liberal?

The Tory press has criticized Mr. St. Laurent because of his emphasis upon the Liberal record and because his platform is an extension of Liberal policies and practices which have guided the government during its past terms. It is a foolish criticism. The Liberal record is one of which to be proud, Mr. St. Laurent is echoing the pride of the majority of Canadians when he emphasizes it.

What are the salient points of that record in recent years? What of housing, for example?

Almost a third of the 301,000 new homes built since the end of the war were built with government assistance. And employment, at unprecedented levels. National income, never higher. Financial policies, a consistent reduction of taxes. Canada was never better off in terms of jobs, income, social security, health benefits. These results of a Liberal administration are self evident. They are the reasons for Mr. St. Laurent to stress the Liberal record. It is a record of accomplishment, of the fulfillment of platform promises.

And these accomplishments shall be extended by the return of a Liberal government. Canada's housing program has accomplished more than that of any country of comparable size. Mr. St. Laurent pledges: "We are not going to be satisfied until decent housing is provided for every family." Liberal policies for the expansion of our trade are guarantees of continuing high employment and income. Liberal administrations have brought in all major social security legislation. The Liberal party has demonstrated its belief in social security legislation. Mr. St. Laurent pledges that the Liberal party "will not rest until there is social security for all." And Canadians can believe him because his party has demonstrated its adherence to that belief. The health program extends over five years with a budget of $165 million. Here again is evidence of the Liberal party's fulfillment of election pledges.

In opposition Mr. St. Laurent's record of achievement and his platform, placed before the people in a straightforward manner, is the bluster of Mr. Drew, leader of the Progressive Conservative party. What a contrast between the two leaders, the one a Canadian statesman, secure in his laurels as one of Canada's ablest lawyers, broad of vision, honest in the presentation of his beliefs; and the other, gambling his political future on victory whatever the cost, conducting a campaign of phony issues, denying his past, attacking individuals, telling one story in one province, its opposite in the other.

In contrast to the campaign conducted by Mr. St. Laurent and the Liberal party, the policies of the Progressive Conservatives have been obscured by the bluster of their leader, attacks upon individuals and his phony issues supported by the Toronto Tory press. What has he proven by his charges about the North Star, the Canadair deal? Nothing. Challenged to present the complete evidence, he evades the issues. His election campaign has been nothing more than the continuation of his tactics in the House of Commons where he spent his days calling the government names.

His campaigns have known every device except the truth. He tells Newfoundland that he never opposed Family Allowance, despite the record of his denunciation of that Liberal legislation while premier of Ontario. He tells Ontario that his party supports the North Atlantic pact, but in Quebec, he unfurls his banner over the forces of that arch-isolationist, Mr. Duplessis, and wartime internee, Mr. Houde.

He says his party is national in scope, strong and united. What unity is there in a party which has as an Ontario candidate, Mr. T. L. Church, life-long defender of the Empire and the ideals for which it stands, and the men of the Duplessis party, ultra-nationalist to their finger-tips? Between the parties as between the men, again what choice is there?

C.C.F. Childish Petulance

Mr. David Lewis, national secretary of the C.C.F., and Mr. Arch Woods, C.C.F. candidate for this riding, used considerable time at the C.C.F. meeting Saturday night to condemn the Conservative party, the Liberal party, the Liberal candidate, the Communists, the Toronto Star, campaign methods, George Drew, statements by Winston Churchill and Lloyd George, Newmarket housing arrangements, assorted candidates, and the editor of The Era and Express.

To use so much of their time at the one public rally the C.C.F. has had in Newmarket to condemn everything not C.C.F., seems a curious way to win friends for that party. Mr. Woods complains that the C.C.F. has only $1,600 to spend on his campaign. If that is the case, the cost of Saturday's meeting might have been better spent on factual consideration of the issues and the discussion of what the C.C.F. is prepared to do and how.

The time spent condemning The Era and Express and its editor seems particularly wasted. The editorial which provoked the attack was printed three weeks ago. Since then, two letters from a C.C.F. supporter have been published in reply to the editorial. There was, of course, no charge for this service by the "unprincipled" editor.

The editorial was a comparison between promises of the C.C.F. as contained in an advertisement in the same issue, and the achievements in the same fields of the Liberal party. It was criticized on two counts, the first that it misrepresented facts and second, that it was unethical. The public can best judge the worth of the first charge, the editorial and the two letters of reply being adequate as evidence.

The second charge is worth discussing only insofar as it throws a new light upon C.C.F. thinking. There is nothing in the least unethical about an editor discussing the contents of an advertisement which appears in his own paper. We have done it before, as have most editors, without occasioning any comment. Apparently it is unethical only when a C.C.F. advertisement is discussed, a curious argument from those who have so long claimed that the press was subject to its advertisers.

We risk the charge a second time by drawing attention to a C.C.F. advertisement in this issue which begins, "No garden parties, tea parties, beer parties have been given, and none will be given by your C.C.F. candidate." The editor finds this hard to believe having attended a reception for Mr. Woods and Mr. Lewis on Saturday night after the C.C.F. meeting at the home of a C.C.F. official.

Mr. Woods admitted at one time the distinction of being one of the most often defeated candidates in the country. After this meeting on Saturday night and the demonstration of his campaign tactics, it is not difficult to understand why; for it is just one step removed from a small boy who sticks his tongue out—in a word—childish.

The Top Six Inches

What goes on at the stock yards? With a dry spring, short pasture, no hay for next winter, the farmer is forced to sell his livestock.

Why should the buyers stop buying until there were 7,000 head of cattle left in the Toronto stock yards? Then, the price is forced down $3 per hundred and the same day, in the town of Newmarket, the price of meat was up two to three cents a lb. The farmer is hit both ways: dry weather over which he has no control, and a hold up of buying to force the price down. Why the price to consumer went up, no one knows. Hog prices went off $2 per cwt. When our friends who make their living from handling our stock take advantage of us at a time like this, it is high time we farmers did something about it.

Every farm forum in Ontario should send a protest to the ministers of agriculture, dominion and provincial. If you have no farm forum in your neighborhood, start one now. Get in contact with the York county federation of agriculture.

We have in York county a strong group, the Women's Institute. We know that this group has for its object better home making. I am giving the suggestion that the farm women of the Women's Institute start a protest campaign against the way livestock prices have been handled this past week. If the farm people do not work for some price stability in farm produce, when there is a large supply of farm produce, we can expect a lower price.

From every farm home we hear a protest but how are we to get some action? It has been said that you can knock and shove a man but when he is down on his back, he must come up. I think the farmer is down on his back when we permit farm stock prices of the past week.

How can a farm woman or man plan the finances of the farm when we are open to such actions of the buyers? It has been said that there are no friends in business. We have in the past thought that those who handled our stock were friends. But a friend would not, when you were in a corner, pull a fast deal on you, and we farmers are right back in a real corner.

We were told by price control investigators that cattle were bought from the farmer as cheap as possible and the beef sold to the consumer as high as possible. We have no fault to find with that system. In ordinary times the farmer can hold his cattle off the market. But this year, the farmer has no choice. With no grass or hay on the farms, the stock must go over the scales. The complaint is that when the farmers need all the money they can get to buy feed to hold some stock for breeding, they were handed a raw deal.

Are you one of those farmers who let off steam at the corner store or garage and do nothing more, or do you believe in fair play and sportsmanship? Don't call labor or business down because they are organized. We can take this, and expect more, or protest and get behind our farm forums. We will have plenty of time—less than a half crop of hay and by the looks of the spring crop, a very small harvest. Cheerio.

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

IN MEMORIAM

Chantler — In loving memory of my darling little grandson, Charles (Buddy) Chantler who was suddenly called to be with Jesus June 22, 1937.

Up there among the angels,
Our little Buddy stands,
Waiting for us to join him
In that Holy, happy land.
A little lamb too sweet and pure,
Upon this earth to roam;
An angel came and took
Our darling Buddy home,
A beautiful snowdrop to bloom
In the garden of Heaven.

Always lovingly remembered by his grandma Jones and aunties and uncles.

Cutting — In loving memory of a dear wife and mother, Ellen S. Cutting, who passed away June 25, 1945; and our dear son and brother, Garnet R. Cutting, who passed away June 26, 1916.

We loved them, Oh no tongue can tell
How much we loved them and how well;
God loved them too, and thought it best
To take them home with Him to rest,
Ever remembered by husband and family.

Edgar — In loving memory of our niece, Margaret Ann, who passed away June 22, 1948

God knew that she was suffering,
That the hills were hard to climb,
So He closed her weary eyelids
And whispered "Peace be thine."
One year has passed since that sad day
When one we loved was called away,
God took her home, it was His will,
Within our hearts she lyeth still.
Ever remembered by Uncle Art and Auntie Dot.

Smith — In loving memory of my dear father, James Smith, of Uxbridge, who passed away June 21, 1948.

Gone but not forgotten.
Sadly missed by daughter Ethel and family.

Opportunity Sale Closes H.-S. Season

Newmarket—The opportunity sale held in the market building on June 16 was an outstanding success. Sponsored by the Home and School Association, the sale featured a White Elephant table with an amazing variety of articles being offered for sale.

The committee in charge of the project wishes to thank the great number of people who contributed so generously with their good, used clothing as well as those who came to purchase.

Half of the proceeds is to be donated to the Artificial Ice Fund and the other half is to be used in the purchasing of a piano for the new public school. This latter purchase is an objective of the Home and School Association. With the holding of the sale, the activities of the organization came to a close for the season.

To My Arthritic Friends

For over ten years I have been an arthritic sufferer. My body all out of shape and badly crippled. I could not move my head at all. I had no hope of recovery. I tried tailored steel braces; was on fracture boards; had countless hypodermic injections; spent hundreds of dollars on medications and was taking at least 15 Aspirin tablets every day. I could do no work in my home and could not bath myself.

Today, after three months of treatments at the Fenn-dale Health Resort, 66 Gorham St., Newmarket, I am now doing all my own work, washing, ironing, cleaning. I can get in and out of the bath tub. I am at least four inches straighter. I can move my head, my legs and body are straightening.

Once again life is worth living. Do you suffer? Why not seek help at the Fenn-dale as I have done?

MARCHING FEET AND WINDOWS

To those of us who look back over two world wars, the sound of marching feet has a strange power to transport us back through the years and Sunday as I watched the parade I had only to shut my eyes and see again the boys who marched away to fight for the land they loved.

We saw those who lived march home to try and take up their lives so riven by the cataclysm of war.

I often wonder what was expected of these men, who had been promised so much and who came home to find that promises are not fulfilments.

They from whom all initative had been taken away during their years of service were supposed to be able to cope with problems which had not even arisen before their enlistment and to compete with men who, at home, found work on every hand and could meet each changing circumstance as it arose instead of being dumped into an almost new world with keen after-war competition and which, having welcomed them home—forgot them!

We owe our liberty and prosperity to those who fought for us—the living and the dead, and it has always seemed to me that Canada will have to pay in full for all her broken promises and scant recognition of those to whom she owes so much.

The Decoration Day parade was beautiful—who does not thrill to the music of the pipes—of course I have Scottish blood in my veins—but not to them alone. The cadence of the marching feet, the flags, the bands and the little children all sang one grand refrain—for Canada!

We do well to remember our dead—and none are really dead till we forget them—and it is well to recall what they have meant to us. But nearly everyone of those whose graves we heaped with flowers whom we "loved long since and lost awhile" left some one behind them to whom we owe the help and loyalty and comradeship of fallen Canadians.

Until we Canadians feel a real brotherhood—the brotherhood of those who have religious and social freedom, we can never become a great nation, for after all a nation is made up of its citizens and if those citizens stand off from one another unless drawn together by some calamity, we will never measure up to all the magnificence that is Canada.

Windows

They say the eyes are the windows of the soul and if we believe that we will be careful of what looks out of them. One sometimes sees something lovely and once in a while something evil looking out of those same windows.

But the window I am thinking of particularly is one in the Trinity United church, Newmarket—a copy of Holman's Light of the World.

Many an evening as the sun was setting, with my heart and my ears I listened to Mr. Cotton, but my eyes were reviled on that window. Why? Because of its beauty and significance. As the rest of the window grew shadowy the lantern in Christ's hand shone with a dazzling light. One felt it must illumine the darkness of even we poor stumbling souls as He knocked at the door of our hearts.

A window like that is a sermon in itself—it gives one the feeling that we are not only seeking—we are being sought.

Pro.-Con. Women's Ass'n Hold Evening Tea At Hotel

Newmarket — An informal evening tea was held at the King George hotel on Monday night by the Newmarket Progressive-Conservative Women's Association to meet the candidate and his wife, Mr. and Mrs. Arthur Walwyn. EILEEN PRICE WED IN TRINITY UNITED

Pink and white snapdragons formed the background in Trinity United church, Newmarket, June 4, for the marriage of Norma Eileen Price, daughter of Mr. and Mrs. Harper Price, to John Kenneth Watts, son of Mr. William Watts and the late Mrs. Watts. Rev. Henry Cotton, assisted by Rev. Fred Breckon, officiated. Herman G. Fowler, Mus. Bac., played the wedding music. Harry Price, Dunnville, brother of the bride, was soloist, singing "The Lord's Prayer" as the bridal party assembled at the altar and "Because" during the signing of the register.

The bride, given in marriage by her father, wore a gown of ivory satin made with scalloped lace yoke, high neckline, long sleeves pointed over the hand, fitted bodice and bouffant skirt forming a train. Her long net veil was held in place by a matching tiarra trimmed with pearls and she carried a shower bouquet of white roses and lily of the valley.

The bride's only sister, Mrs. Thelma Coles, Willowdale, was matron of honor, Laura Whitfield, Newmarket, as bridesmaid, Carol Price, Dunnville, and Judy Watts, Newmarket, nieces of bride and groom, as junior attendants, wore gowns of ice blue taffeta, blush rose satin, chartreuse and canary yellow taffeta, made similar, with low, double-collar necklines, tight fitting bodices, bouffant skirts, matching headdresses and mittens. They carried old-fashioned nosegays of Rapture roses, Briarcliff roses and Pernet roses. Victor Warren, Toronto, an airforce associate, attended the groom. Ushers were Charles Pearce, Toronto, Albert and Robert Watts, brothers of the groom, and William Dusomme, Newmarket.

At the reception held in the church school room the bride's mother received in a Sun Valley blue crepe dress, navy accessories and corsage of Briarcliff roses, assisted by the groom's sister, Mrs. Lucy Bolton, Toronto, in navy and white silk with corsage of Richmond roses.

For travelling to points east the bride wore a three-piece pearl grey ensemble, grey and black accessories with corsage of pink carnations. They will reside in Newmarket.

IT'S A Woman's World

By Caroline E. Ion

Passing through the archway over Highway 11 after a motor trip of approximately 150 miles, we entered the village of Sundridge. Tourist accommodation to the right and left echoed the sentiments on the welcome posts—"Happy Holiday". As we had rounded the last curve on the brow of the hill, past the "Ten Gables Inn" we had been compelled to stop momentarily to feast our senses on the scene before us—stretching in undiluted splendour were miles of wooded hills, fertile glens and there, to the right, lay Lake Bernard—a star sapphire shimmering and glistening in the late afternoon sun.

Birch edged, the main street follows the curve of the lake with the Bernard Hotel dominating the scene. Here we felt was the perfect serenity of the summer cottage life—no busy schedule, no definite duties, but the quiet leisureness of a succession of lazy days. Here as in many another small town the young people are leaving for the large cities. This sleepy hamlet with its small saw mill and no industries offers few opportunities for them. However at the general store we were reminded that in the winter there is hockey—champion teams and N.H.L. players hail from this vicinity. "Bucko" MacDonald, still a 60-minute hockey player, coach and manager of the Sundridge team and Liberal member of the federal House, calls this picturesque spot "home".

One day when going for the mail we joined others in a porcupine shoot and there beside the Main Street buried the culprit. No one but the visitors seemed particularly agog by the activities and every time that we passed that spot for the remainder of our stay we were reminded by our small son, as if we were likely to forget, "That's where they shot the porcupine, isn't it?"

Newmarket also has its connections with this lakeshore town for established in a white Cape Cod rectory is Rev. Bert Willis with his family. Anglican rector for the churches at South River and Eagle Lake as well as at Sundridge, Rev. Willis was associated with the local St. Paul's church prior to his ordination. South River—now, that's another beauty spot. Bare rocks jutting in the midst of the stream cause miniature rapids and the grassy banks invite tourists to enjoy their picnic lunches.

Lake Bernard, about seven miles wide, is rimmed with red sand. Here are the safe beaches so dear to the hearts of youngsters who can splash and romp with freedom and to parents who can forget the nagging fear of sudden deep holes, reeds or disastrous tumbles from wharfs. Crystal clear water, warm but invigorating encouraged swimming several times each day.

Unlike Lake Simcoe, you find no well kept squares of green lawns, no neatly trimmed cedar hedges about Lake Bernard. Here is nature uncultivated and unpampered. Silver birches swaying gently with the soft breeze; the constant rustle of restless poplars; the green freshness of larch against a background of tall, old pines—this is the setting of a happy holiday.

* * *

Will women take their right to vote—that particular privilege so fiercely sought by an earlier generation—in the same carefree, seemingly thoughtless manner in which they treat all matters political? Of the 351 candidates for election only 15 are women. What is the reason? How many women can truthfully say that they would support another of their sex at the poles? How many will even have a woman lawyer or doctor? For some, men as well as women, the only political radio talks they have heard were a few introductory remarks before the dial was twirled to another station. An informed, alert public is vital to a democratic way of life.

Surely this right to exercise our franchise is one to be placed ahead of every other activity when we plan for June 27. The excuses that will be offered later will be many and varied, but will they excuse any woman from failing in her responsibilities as a citizen to our growing nation. "It was too hot, so I didn't bother going", one will say while another, "There was no one with whom to leave the baby". As Mary-Etta MacPherson, editor of "Canadian Home Journal", said, "You have a date with democracy—on June 27." For all the millions of people throughout the world who can not mark a free ballot, as well as for ourselves, we must keep that date.

THE HOMEMAKERS

Speaking Of Dressings

The vogue for salads in everyday all-year-round diet is comparatively new, but spring salad made from lettuce or "salad plant" is a very old favorite. Baby onions and small tender radishes are frequent additions to the plain lettuce salad. There are innumerable ideas on what makes a good salad dressing. Some like it tart, others prefer a definite salty dressing while many favor a slightly sweet one. Such extra ingredients as chutney, cheese, minced onion, chopped celery, chili sauce, minced chives, catsup, curry powder or horse radish added in varying amounts, to the standard dressing will make it seem entirely different and new.

FRENCH DRESSING

1 Tsp. salt
2 Tsp. sugar
½ Tsp. paprika
½ Cup vinegar
1 Cup salad oil

Mix salt, sugar and paprika in a sealer. Add vinegar and oil. Seal the sealer and shake well. Keep in a cool place. Shake well each time before using. Yield: 1¼ cups. Variations: To ½ cup of dressing add one of the following and blend thoroughly:

1. 2 Tbsp. chopped parsley
2. 2 Tbsp. minced green onion tops or chives
3. 1 Hard-cooked egg, chopped
4. 3 Tbsp. peanut butter
5. ¼ cup tomato catsup or chili sauce
6. ½ Tsp. dry mustard.

TOMATO BACON DRESSING

3 Slices bacon
1 Tbsp. granulated sugar
½ Tsp. dry mustard
1 Tsp. salt
⅛ Tsp. pepper
2 Tbsp. lemon juice or vinegar
¼ Cup tomato catsup
1 Tsp. celery seed
1 Tsp. chopped chives or green onion top

Cut the bacon into small pieces and pan-fry until crisp; remove bacon bits from fat and drain on absorbent paper. Combine the sugar, mustard, salt and pepper. Blend in the lemon juice or vinegar and catsup. Beat well with a rotary beater. Stir in the celery seeds, chives and bacon chips. Turn into a jar with a close fitting cover. Cover and store overnight in a cool place. Shake well before using.

COOKED MAYONNAISE

1 Egg
3 Tbsp. sugar
1½ Tsp. salt
2 Tsp. mustard
¼ Tsp. paprika
Few grains cayenne
½ Cup vinegar
¾ Cup salad oil
4 Tbsp. cornstarch
1 Cup water

Put egg, sugar, seasonings, vinegar and oil in a mixing bowl without stirring. Mix cornstarch and water and stir over a low heat until thick. Then cook over hot water until clear, about 15 minutes. Stir the hot cornstarch mixture into the other ingredients and beat briskly with a dover beater until thoroughly combined. Cool and store. Yield: about 1 pint.

...well practically unanimous

YOU CAN still find people who "don't believe in banks" . . . who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts. In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.

Carl Boynton Wins Trip To Chicago

The York County Junior Farmers' Annual Livestock Judging Competition was held at Newmarket with 35 enthusiastic contestants attending. Guided by local junior farmer coaches, young men from all districts of the county competed.

During the course of the competition the boys travelled to the following farms for the various classes of stock: Pickering College, Newmarket, for Holstein cows and market hogs; J. H. Crang's Glenville Farms, Newmarket, for Shorthorn cows, Suffolk ewes, market lambs, Yorkshire sows, hunter horses and Guernsey heifers; Jack Bowser's, Newmarket, for Angus cows, and to Hazelburn Farms, Aurora, for draft horses.

For the second successive year Glenville Farms provided a wonderful picnic lunch for all. When the vice-president of the York County Junior Farmers, Vic Johnson, thanked the hosts, the applause indicated fully their appreciation.

Following the competition oral reasons were taken at the Department of Agriculture, Newmarket, and official placings were given by the five judges: Bruce Beer, Brampton (beef), Harold Baker, Milton (dairy), Hubert McGill, Toronto (horses), Archie Wilson, Uxbridge (sheep), and Jim McCullough, Newmarket (swine).

In the evening a banquet was provided by the Scout Mothers' Auxiliary in the Scout Hall, Newmarket. A short program of a sing-song led by Jack Devins and humorous stunts was presented. W. M. Cockburn, agricultural representative, who acted as chairman, announced the following awards:

Winner of the Chicago trip, based on all round proficiency in Junior Farmer and club work and at the same time standing up well in the competition, was Carl Boynton, Woodbridge. Sponsor Gun Club For Whitchurch

The Whitchurch Wild Life and Conservation Club has sponsored a Gun Club in Whitchurch township under the name of Whitchurch Conservation and Gun Club. They have purchased 25 acres of land for a range and are planning rifle, revolver and trap shooting, and will add a clubhouse and skeet field later on. The property is situated one-half mile east of the fifth concession on the Aurora sideline.

The object of this organization is the encouragement of organized shooting in the community, with better knowledge of the safe handling and proper care of firearms, as well as improved marksmanship. It is also the club's purpose to encourage the development of those characteristics of honesty, good fellowship, self-discipline, team play and self-reliance which are the essentials of good sportsmanship. Anyone who is, or wishes to become a marksman, is eligible to membership in this organization.

Mrs. H. J. Charles and Miss Georgie Charles, Aurora, were guests of Mrs. Steeper on Saturday.

Flower Sunday

Rev. L. S. Paisley, Strand, was the guest speaker at the United church on Sunday morning. It being Flower Sunday, he gave a fine message from the text, "Consider the lily", saying we too often pass by the beauties of nature and it is up to horticultural members to set the example and make this old earth beautiful in our own little spots. The earth does not belong to us but we must really do our part to help nature bring out the beauty, he said. White baskets of white peonies and orange blossoms made a lovely decoration and the choir was assisted by the men's quartet.

The Mount Albert Women's Institute was a guest of Sandford society on Thursday and had an enjoyable afternoon.

Choir Picnic

The United church choir held a picnic at the government park at Midhurst on Friday afternoon and spent an interesting time sightseeing and enjoying a session of sports. The day closed with a sing-song.

The W.A. of the United church held its June meeting at the home of Mrs. H. Price. The ladies voted $15 to help send the C.G.I.T. girls to camp and made plans for a supper to be held on the church lawn on Tuesday evening, June 28.

Mr. J. L. Stiver, who recently came home from Port Arthur, was at York County hospital for observation but has returned again to his position in the northern city.

KESWICK

Last Sunday a large congregation filled the United church and enjoyed a very impressive service. The centre-front seats were occupied by fathers and sons, together with the boys of the Four-Square club and their leader, Mr. J. C. Purdy, whose class presented the church with a beautiful lamp overhanging the portrait painting of our Lord.

The music by the choir was exceptionally good. Rev. M. R. Brown took the solo part of the negro spiritual, "Deep River," the choir singing the chorus with him. Father's Day sermon was entitled, "The Over-Busy Father."

Next Sunday morning music will be furnished in the United church by visiting choral groups from our public schools, from Jersey, Mount Pleasant, Belhaven, Baseline, Roche's Point, and Keswick. Come early to get a suitable seat.

Sunday, June 26, will be Decoration day at Queensville cemetery. Time 3 p.m.

Communion service will be held in the United church at the Sunday morning service, 11 a.m., July 3. All are invited to the Sacrament of the Lord's Supper.

July 20, the annual bazaar of the United church will be held on the spacious grounds with the beautiful shade trees. This event provides for a social get-together where refreshments may be obtained and numerous varied articles may be purchased from an apron to a quilt or even a gift for Christmas. You are welcome.

Keswick Memorial Underway
Villagers Finance New Rink

The North Gwillimbury Memorial Recreation Centre is the cause of excitement around here. Youth from nine to ninety are most enthusiastic over the rapid rise of the main building. The citizens of our township are digging down to erect a fitting memorial to those who gave such sacrifice in the two World Wars.

The frame work of the main building is just about completed and it looks huge and imposing, very much like a large city building. Nothing like this has ever been built around here and the energetic and enthusiastic few who have fathered it to this point are to be highly commended.

Among the ever present 'lookers on' are plans, in the younger groups for wonderful times on the ice rink, while the older groups are planning to get out their almost forgotten stones for curling, but before all these good times they are looking forward to many varieties of indoor summer sports which the centre will offer. And there are planned concerts, shows, lectures and dances in the auditorium where, if the crowd does not exceed 900, they can be comfortably accommodated but if, as in the summer months, there is needed accommodation for up to 2,500 persons the rink portion can be used, as is Maple Leaf Gardens, for a vast list of cultural, educational and sports events.

A house to house canvass for funds is in energetic progress and the canvassers report unexpected good response and enthusiasm, even to the most distant fringes of the township. What is most encouraging is the hearty response of our summer residents.

Everybody in North Gwillimbury is uniting to make our memorial one of Canada's best.

Keswick W.C.T.U. Has Monthly Meeting

A good W.C.T.U. meeting was held at Mrs. Hobson's on June 14, good both as to attendance and program.

An interesting report on the Kingston W.C.T.U. convention was given by Mrs. Wilder who attended. She brought forcibly to our attention the need for all Christian people to join in trying to stamp out the drink traffic.

Mrs. Lunn was a guest speaker. She quoted many figures and facts to show the increase in drink and lawlessness and crime under the present liquor administration, thus again stressing the necessity of action of all Christian people.

Special musical treat was given by a number of little girls in duets and trios, also a number by Mrs. Harold Pollard.

The next meeting will be the mothers' meeting in July at the United church.

Mr. and Mrs. Douglas Woodrow, Toronto, and Mr. and Mrs. Bruce Gibson and daughters of Newmarket spent Sunday with Mr. and Mrs. Aubrey Doane.

News n' Views

By GEORGE HASKETT

Whew. Say it's hot. Lots doing this week though, mates, to keep your mind off the heat. But first perhaps better sweep out the unfinished business from last week. There's some good news and a good deal of bad. Vets who owned a six-game win streak saw it snap last Thursday at Langstaff. Bill Bowen chief instigator of it's demise. "Ceegars" couldn't locate the push button that said "bingles" when they were needed in the final frame.

Unkindest cut of the week was the complete collapse of our lacrosse crew against Huntsville. Only in the first period did they live up to expectations. From there in the northerners ran roughshod over our helpers. Busiest man in the rink to be sure was Ross Dinner in the Newmarket cage. Busy, that is, turning around digging the ball out of the rigging.

Yaps from the sidelines: What a nightmare getting the lacrosse launched. No nets the boys had to string them and then set them up themselves. Fairly good attendance, some 350 fans. It doesn't help future attendance by a weak effort nor keeping the payees standing around. Coach Matt Walsh and his chief aide assistant manager Larry Sheffe say there'll be some changes made.

Haskett's hash: With Mona Dean on vacation third sacker Mary Osborne has donned the big mitt and is doing right well. There is only one "Diz" as her pals hail her, and few catchers her equal in these parts.

Aurora ladies and that was Aurora ladies only you saw in action last Saturday, not an all-star team of the North York Ladies' League as we mentioned last week, all but pulled the surprise upset of the year. Not given a ghost of a chance by the experts, they were only nosed out in the final innings by the odd run. Largest attendance of the season viewed the tilt. **Argument department:** Charlie "Peaches" VanZant, a colorful character on or off the diamond, put on a wordy duel with the Woodbridge jockeys the other night. They tried to change his batting stance. Charlie had the last laugh pickling a double into right field that scored a pair. **Give us games says "Shorty" Turan** of our intermediate nine. Shorty is going after Beeton or Alliston for a Saturday afternoon tilt.

Hurry, hurry, here's the slate for this week. Verging point Aurora town park tonight—league leaders clash. Vets vs. Aurora. Aurorans have clean sheet, Mac's pack one loss. Local attraction Valley's here to give attention to the Courtney-VanZant-Hisey femmes. Lacrosse at the arena, Toronto Maitlands the visitors. The invaders come with a reputation for being rough and ready. Should be fun.

Tennis League Formed Four Teams Enter

Plans for a four-team tennis league were completed last week when the North York court enthusiasts gathered at the Highlands Golf club in Aurora Wednesday evening. Entries were accepted from Aurora, Richmond Hill, Newmarket, and a fourth team from a Mount Albert - Uxbridge combine.

The following officers were elected: honorary president, Jack Smith, president Keith Davis (Newmarket), vice-presidents, Mrs. D. Macpherson (Mount Albert), Harry Hill Jr. (Richmond Hill), secretary-treasurer, Frank Wims (Aurora). Bob Yates, local jeweller, has signified his intention of donating a trophy for the teams to battle for. First action is set for June 29.

Newmarket Ladies Take Visitors Twice

Everybody got into the act last Thursday as Newmarket Ladies entertained Allandale at the park. Newmarket got in on the hitting end, Allandale on the error-making end. Taking advantage of this situation Courtney-VanZant maids romped home with 21 runs. Allandale could only manage two further scoring marks and settled for six runs.

Skipper Courtney elected to give his latest addition to the pitching staff, Lynn Thompson, a starting assignment. Lynn suffered from a case of beginner's jitters and Allandale had four runs straight off. Hester Clark took over and faced the minimum number of Allandalers over the next four chapters.

Newmarket counted in every frame accumulating 16 hits. Short stopper Lois Blight took in three, Mary Ellen McInnis a homer, Mary Osborne catching in the absence of Mona Dean and Lois Manning made two each.

NEWMARKET VS. AURORA

The prize surprise all but came off. Our experts didn't give the Aurora ladies a look-in when they came up Saturday evening to do battle with our own lassies in an exhibition contest to close the Vets Sport Day. We know we'll hate ourselves for saying it but our gals were lucky to eke out a 13-12 win. Three runs down going into the final frame they rallied for four runs and victory. Phyl McInnis leading off reached first on an infield miscue, Mary Ellen McInnis and Edna Sleigh went out, that was two, should have been the third. Edna McGrath came through with a single, a walk to Mary Osborne, then a double by Lois Blight and triple by Lois Manning erased the Aurora lead gave us four runs and a win.

Leading the visitors' hitters were Betty Holman and pitcher Agnes Wezner with three each. Phyl McInnis, Mary Ellen McInnis and Lois Blight punched out a trio of hits in the local cause.

Aurora picked up 15 hits off Hester Clark with Newmarket showing an equal number.

Bantams Split Profits Take One, Drop One

Frank Hollingsworth led his Bantams into Aurora last Thursday and was turned back by an 8-2 count. Lefty Parsons on the Aurora hill-top pitched fine ball. The best our young gaffers could do was gather in two hits, one a double by Billy Mair and the other Wayne Robinson's three baser. Parsons struck out nine. Wayne Robinson gave up six hits to the Auroras, struck out four but his mates slipped up afield with four errors. Catcher Bob Cook led the Aurora swatsmiths with a double and two singles.

Monday evening Richmond Hill were the visitors at the Stuart Scott school grounds. Our kids got in there swinging and gave the Hillers a 9-3 trimming. Losing no time in going to work Newmarket squeezed one in the first, made the third their beginnings with five and added three in the fourth for good measure. Right fielder Bob Forhan with a pair of safeties that scored four runs was the big boy with the bat. Short stopper Merlyn Bales punched out a pair of singles. Karl Ball on the Newmarket mound joined the ranks of the no-hit game winners. Richmond Hill made their runs on walks and infield errors.

29 Confirmed At 106th Anniversary

Kettleby — Sunday, June 19 most of our members attended Schomberg church, St. Mary Magdalene's, to celebrate the 106th anniversary of the founding of the parish and to witness the confirmation service when 29 of our young people from the three parishes took upon themselves the responsibility of the vows made for them in their baptism and became full members of the church with the right to join in the service of Holy Communion. Speaking to the candidates, Bishop Wells told them there was no magic in the laying on of hands, they would only receive blessing by living good lives themselves.

3 Win 2 Each In Simcoe League

The Mounties are topping the slate in the Lake Simcoe softball round up. Keswick were ambushed 18-8 to start. Harold Smith and Bill Henry coming on in the sixth for Keswick and "Red" Mitchell all took a share of the slugging. Home runs, why sure, Ross Draper two, Doug Ross and Kelly Case one each, Bob Pollock kept ahead of the league four base clouters with one for Keswick.

After the Keswick threat Zephyr met Mount Albert, the Roberts men gaining a 6-2 triumph. Triple by Morley Case the long far one. Charlie Green's timely single counted a pair of important tallies. Ken Pickering and Clark Arnold headed the losers hit parade.

Pine Orchard matched the Mount Albert win pace. They're a whisker off the top rung. There Orchard and Zephyr put on a nip and tuck struggle before the Northerners were eased out 5-4. Bill Walker's down the centre single with the bases loaded in the last frame settled it.

Pine Orchard's second triumph 16-2, was over the lowly Queensville crew. A pair of Bills, Dyke and Walker, homered for the Orchard.

There are smiles from up Hope way. They gained two wins. First to suffer from the Hope upsurge was Queensville. Willard Cryderman and Geo. Evans were knocked around consideraly as Hope booked a 19-5 win. Bruce Townsley hit the jack pot with a grand slam homer and Gord Cook duplicated the feat but with bases unoccupied. Bob English provided the Queensville bright spot with a four-base drive.

With Ivan Eves an absentee, Sharon pulled in three tossers, Les Blunt, Bruce Greig and 'Red' McNern in rapid succession in an endeavor to halt Hope, the boys who made 23 runs. Sharon picked up only three. Russell Pegg, Bruce Townsley and Cliff Ward were on the score sheet with homers. Harold Proctor made a nifty running grab for the fielding gem.

Are those new uniforms Willow Beach are sporting starting to work a charm? Vandorf thinks so. Cec McNeill recorded his first shut-out win chilling the Vandorfers 13-0.

Battle of the basement was a dandy. It was an extra innings battle between Queensville and Brown Hill before the Hillers "dood it" 7-6.

No report in from our northern precincts on Brown Hill at Zephyr. We'll catch it next week. Say, this is unexpected—we've been hearing a word of praise for the umps. Bill Hibbitt in the north has proven a find. Barney Revell doing well in the south. Bob Peters doing well at home recovering from recent bout in the cut-up department. Say, managers, haste those results along to publicity man Claude Pollock. Thanks. Coming up for attention: July 13, Pine Orchard at Keswick. June 23, Zephyr at Mount Albert; June 24, Willow Beach at Hope; June 27, Sharon at Brown Hill; June 28, Keswick at Zephyr; June 28, Mount Albert at Willow Beach; June 29, Pine Orchard at Hope.

Vets Take Own Money Championship, Trophy

The Vets softball tournament had about everything the fans could ask for in the way of variety, from a perfect game pitched by Jack Rumney as Queensville recorded a 3-0 first round triumph over Pickering College, to a free swinging battle as Newmarket Vets nailed the championship on a 17-1 triumph over Queensville.

Another feature that the fans enjoyed was fancy American style softball flinging dished up by Ike Lanier as the Dick Mather-Bill Capes Pickering squad were nosed out of the money in a saw-off game for third prize by Zephyr by a 4-2 margin.

In the first game of the afternoon Jack Rumney didn't allow Pickering College a man on the base-paths striking out 13 and having the other two batters in the five innings pop out. Bill Capes pitched a good game for the Collegians and ordinarily might have snared the win. With Bill VanZant on the mound the Vets racked up a 9-6 triumph over Zephyr in the other first round action. The losers met for third money with Zephyr the victors over Pickering 4-2.

In the finals the Vets' high-power hitting attack made Joint McComb's work easy as the top money and trophy remained here on the Vets' mantel. Final score reading, Vets 17, Queensville 1.

VETS DROP ONE

All thoughts that have been building up that the Vets were going to sail through the North York softball league run of games without a loss were shattered last Thursday. Langstaff nudged out our heroes 4-3 in a hotly contested tilt. Bill Bowen on the Staffer's mound held the whip hand down most of the route. The McDonald pack did make it interesting in their final frame loading the sacks with two away but Bowen forced Joe Tunney into a pop up and tying and winning runs died.

Tod Mosier and Long John Hisey led the Newmarket hitters with three hits apiece.

Midland Defeats Improved Redmen

Our lacrosse squad came up with an improved showing at Midland Tuesday evening. They suffered a 17-6 set-back for a third loss but for a first period nightmare might well have been right in the hunt. Coach Matt Walsh, still plagued for a top ranking net minder, sent Roy Smalley in but Midland whipped in 14 shots. Bernie Murray took over in the second and held Midland down to three goals. His mates taking a new lease on life outscored the Georgians 5-3. Newmarket sharpshooters were Bob Benville, Jeff Elliott, Harvey Massinger, Bill Heffner, Harry Legge and Murray Stevenson. Toronto Maitlands are the visitors here tonight.

Vets Tie Up Series With Orillia Legion

With "Joint" McComb serving up a brand of ball that sent 12 of the visitors down swinging, the Vets squared up their exhibition series with the Orillia Legion at school grounds on Tuesday by a 6-3 decision. It was a hotly contested battle and the best game of the season at the park. "Joint" eased his own burden by teeing off on one of pitcher Roy Vollick's shots for a homer in the first frame after Harv Gibney was given a life on an infield miscue. Orillia drew up even in the third and Vets forged to the front in the fourth as first sacker McNulty tripled and came home when pitcher Vollick heaved Chuck VanZant's dribbler well over the first baseman head. The Vets clinched the win with three in the fifth.

Orillia wound up their scoring in the sixth as Girrard thumped "Joint's" offering for a four-baser. McNulty led McDonald's men with a pair of triples.

The teams are hoping to settle their argument which stands at a game each at a future date.

'UNETHICAL' EDITOR

(Continued from Page 1)

the C.C.F. planned a national housing project if elected.

"The Newmarket Era and Express has fallen into evil hands," he said in protesting an editorial which appeared recently and which criticized certain statements made in a C.C.F. advertisement in the same issue. "This is unethical," he complained, "The editor jumped for his typewriter within five minutes of receiving the ad and wrote the editorial. He didn't even print the ad on the same page with it."

Mr. Woods charged the editor of The Era and Express with misrepresenting the facts and "deliberately attempting to deceive the voter".

"The editor pointed out Armitage Heights as an example of the work of the present administration in housing. He didn't point out that they were only glorified summer cottages," Mr. Woods declared. He did not state what type of low-cost houses the C.C.F. proposed to produce.

Mr. Lewis said it was time that political parties "stop this business of tea parties, beer parties and dances with beer behind the building." He charged the Liberal and Conservative parties with breaking all their promises following an election and cited as the two dangers to democracy in Canada, the Communists and the capitalist monopoly, arguing that a political party could not serve both big business and the people. He concluded by saying that "the only safeguard of our democratic system is the C.C.F. party. The filthy dollars of big business can't stop a movement such as ours."

Fighting Finish Win At Cannington Greens

The battling four Newmarket bowlers, Jack Luck, Jim Law, Bert Budd and Andy Murdison, won their three games on the lovely Cannington greens yesterday. Defeating Chief Gimblett in the first game, they played the Coleman rink from Peterboro in the second. After a long drawn out battle with five dead ends the score was tie with 13 all in the last end, Newmarket winning with two shots in the extra end.

However the climax was to come in the final game — again against Peterboro who scored five shots in the first end followed by five twos making a total of 15-0 at the end of the sixth. Then Budd went to work and hit the jack to the ditch leaving three shots and with three more they made it six. Two more ends brought it to 10, then 13. Peterboro scored a two and a one to make it 18-13 going home. Then came the Waterloo.

Every man bowled to make it a picture finish with five shots to tie the score and on the extra end won the game with near perfect shots and guards. The boys have written this one into the records as one of their best efforts and one long to be remembered.

This is the team that will again try for the Eaton Gold Trophy and the district championship.

Huntsville Victors Of Lacrosse Opener

It rained, yes it did, goals, not water in the Newmarket arena Thursday evening. Huntsville opened a new lacrosse season, leaving our midst with the happy 23-4 win. After that first period, the only time we had a look in, it was 2-1 for the invaders. From then on Huntsville scored almost at will. The Northerners put their teeth into us for nine goals in the second, coasted along for four in the third and closed up shop with eight in the fourth and final chapter. Newmarket lads failed to check man for man and Huntsville were gallsping in on our net with a man advantage with the usual result.

A break-down of the goal-gathering for the Redmen shows Sandy Neal shot in two, Ken "Gus" Hirtz and Tom Cooney singles.

The referees had a fairly quiet time of it with seven penalties being called, the locals being assessed five. Harold Gwyn and John Chamberis of the visitors earned a five-minute stay for a wee bit of a square off. Some 350 fans took in the opener.

Billy Attridge Signs With 'Hawks

News dispatches this week feature the following flashes: **Billy Attridge**, ace young forward of Aurora Meteors, who did yeoman service at both left and right wing and at the end of the season was probably the top player of the club, has signed a contract with **Chicago Black Hawks.** That doesn't mean that Bill will be playing pro next winter, but it does mean that he'll report to the Hawks' training schools at either North Bay or Galt and will in all likelihood be playing junior A with either one of the teams at the above centre. All North York will be pulling for Bill to make the grade to junior A and move on to bigger and better things in the hockey world.

On the subject of hockey, we note that **Dougie Williams**, Whitby, who was a standout in the midget OMHA series against Aurora three years ago, has been drafted from B company to A by Guelph. Coming up in the "future great" class is a strapping 16-year-old defenceman, **Art White.** Arthur is the son of "Bunny" White, former Richmond Hill sportsman and a nephew of Eric "Rusty" White, and Al White, both of whom need no mention when recalling top-ranking athletes of yesteryear. The White lad, who resides in Toronto, weighs close to 180 lbs. and is a member of the Toronto Leafs chain. Last year he was with the THL midget champions and he will undoubtedly be with Marlboros next winter. So much for hockey!

Doug Nisbet, younger son of "Pop" Nisbet, owner and operator of the Aurora Highlands golf club, banged out a hole in one last week on the par three ninth hole at the Highlands. While a shortie, 135 yards, the ninth is seldom fired in one, especially with a rising green back of the cup. Nisbet's one-holer is the first reported the past two years and the former basketballer got a big kick out of the incident which was witnessed. **Mrs. Campbell McKenzie** of the Thornhill Ladies' club has been elected to the executive of the O.L.G.A. Mrs. McKenzie is the former Marjorie Whiteoak, Aurora, who in her high school days was a star basketball, hockey and softball. She qualified in the first 16 to proceed in match play at Brantford last week but lost out in her first match. The critics figure that Mrs. McKenzie is one of those to be watched closely in the next few years, so rapid has been her progress at the game.

Alvin McNair, former Maple-Orillia lacrosse player, is coaching Woodbridge intermediates this season, and also playing for Mimico Mountaineers. McNair, who is employed at Brampton, originally started the season with the Excelsiors, secured his release and then took up the gutted stick against his old teammates at Maple. Woodbridge has another powerhouse team this season. **Al Orr**, rangy defenceman of the Maple team, and one of York County's best known Junior Farmers, middle-aisled it last week. The lucky gal was Miss Mary Keffer, Maple. **Tom Cooney**, who performs at boxla for Newmarket, and **Cleve Burton**, who was a standout for Combines a couple of years ago, are again displaying their powers in the semi-pro wrestling ring down around the Hill and elsewhere in the smaller centres.

Eric Cradock, one of the sponsors of Montreal Alouettes and owner of North Down Farms, Aurora, scored a great victory on Saturday at Thorncliffe as his good three-year-old **Victory Arch** captured the $3,000 Prince of Wales classic. Victory Arch, sired by Archworth, was unfortunately not entered in the King's Plate in time and could not compete. The chestnut filly has won three important starts this year and in the Prince of Wales, trimmed the favored **Speedy Irish**, and John Stuart's **Bunty Line** handily. There was no betting on the race because Speedy Irish was rated as a shoo-in. The bookmakers and mutual owners must have sighed with relief at the thought when the finish came.
